Internet Browser

1

Bluelink has been developed in-house using Google's Material Design framework, so it's a clean, fast and simple system. It will only work using the **Google Chrome browser** on your laptop, PC or tablet.

2

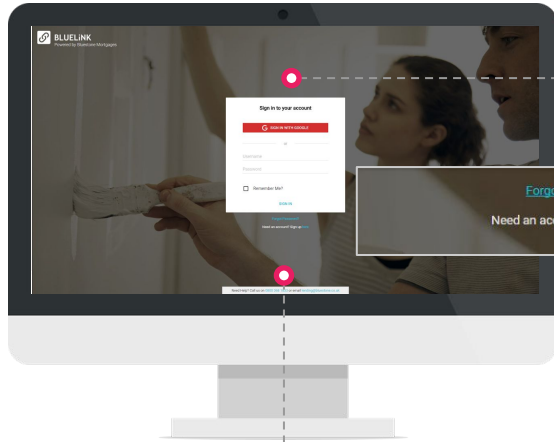

Where can I get the Chrome browser?

It's free and easy to download the Google Chrome browser. You can get it [here!](#)

Click next.

BLUELiNK

The image is a composite. The background is a dark, slightly blurred photograph of a person's hand holding a white pen, poised to write on a document. Overlaid on this is a screenshot of a computer screen displaying a mortgage application form titled 'Complete account sign-up'. The form has a white background and black text. It includes sections for 'Personal details', 'Employment details', and 'Mortgage details'. The 'Personal details' section has fields for 'First name', 'Last name', 'Date of birth', 'Gender', 'Email', and 'Phone number'. The 'Employment details' section has fields for 'Employer name', 'Job title', 'Start date', and 'End date'. The 'Mortgage details' section has fields for 'Mortgage type', 'Mortgage amount', 'Mortgage term', and 'Mortgage interest rate'. Below the form, there is a 'Back' button and a 'Next' button. At the bottom of the screen, there is a footer with the text 'Specialist Mortgage Value £100,000'.

Complete account sign-up

Please note: Please read carefully the following mortgage application regulations which will read and accept the terms and conditions
